

Hurricane::DBo

```
classDiagram
    class Hurricane_Net["Hurricane::Net"]
    class Hurricane_Entity["Hurricane::Entity"]
    class Hurricane_DBo["Hurricane::DBo"]
    Hurricane_Net --|> Hurricane_Entity
    Hurricane_Entity --|> Hurricane_DBo
```

The diagram illustrates a class hierarchy with three classes arranged vertically. At the bottom is a gray-shaded box labeled 'Hurricane::Net'. A blue arrow points upwards from this box to a white box labeled 'Hurricane::Entity' in the middle. Another blue arrow points upwards from the 'Hurricane::Entity' box to a white box labeled 'Hurricane::DBo' at the top. All boxes have a black border.
